To Whom It May Concern:

The Office of Human Life and Dignity- Project Rachel Ministry is pleased to partner with Debbie Miller, President of Healing Hidden Hurts, in bringing hope and healing to women and men in need of healing after an abortion in the Archdiocese of Indianapolis.

Healing Hidden Hurts is a Christ-centered, compassionate, and free confidential ministry leading those that have been affected by an abortion to reconciliation, restoration and peace of mind and heart. Healing Hidden Hurts has two basic goals:

- Personal witness of the story of one's experience of abortion and ultimate healing in order to raise awareness of the negative effects of abortion.
- Offer women an opportunity to be healed and reconciled from post-abortion trauma through a confidential ten step one-on-one program.

An endorsement letter of this nature will be issued every year as long as the partnership with Healing Hidden Hurts in is effect.

Please contact me at bvarick@archindy.org or (317) 236-1543 if you have any questions.
